Dear Senator Breslin,

On behalf of the Professional Insurance Agents of New York Inc., I want to extend sincere congratulations to you on being named president of the National Conference of Insurance Regulators.

PIA of New York is a strong supporter of NCOIL and its mission to help legislators make informed decisions on insurance issues that affect their constituents as well its opposition to federal encroachment of state authority to oversee the business of insurance. As you know, our organization has extensive research capabilities, which can assist you in furthering this mission.

Please feel free to contact Matthew F. Guilbault, Esq. PIANY's Director of Government & Industry Affairs at (800) 424-4244 should you need any information in ways that PIANY can be of service to you in your role as president.

Sincerely,

Alan Plafker, CPIA
PIANY President
