## Background...

Since 1995, we have held this golf outing in honor and memory of our friend John Laux.

This outing has always been about friends getting together to remember and honor a friend. Over the years, we've raised nearly \$250,000; a great accomplishment. We've done this through many small donations and a few larger sponsors.

This year we partnered with the NJPIA to award the first annual John Laux Memorial Scholarship. This year's \$5,000 award went to Samantha Lanzano of Toms River.

We continue to believe that Fore John is one of the best bargains out there. We want to keep it affordable for all to participate. At the same time, we want to be able to make a meaningful difference in our community to honor John.

To that end, I'd like to ask you all to consider a sponsorship in addition to your registration fee. An extra \$50 from all of our golfers would result in over \$7,000 more for our recipients.

Thanks to you all for supporting us and having fun over the past 22 years!

## The layout...

This year, **FORE JOHN** will take place on Friday, September 29th. We're back at High Point Golf Club in Montague, NJ. Brett and his team at High Point have done a great job the last few years.

As always, golf will be a scramble format with lots of great prizes. (and some not so great prizes) C'mon, where else can you leave with a Shart Disaster Recovery Kit?

Our popular 18th Hole Shootout will continue to thrill and embarrass (not necessarily in that order.)

Details for this year's event are on the next page. Please complete the enclosed registration sheet and return it with your check payable to Fore John Charitable Foundation.

Many were turned away last year. To assure your spot, get your forms and money in ASAP.

First come, first served.
